

# Help our drivers make safe deliveries to your company.

*An injury in your delivery bay can block the bay – and delay your deliveries.*

**Oh, no!**

**Hooray!**

**Successful deliveries are safe deliveries!**

## Inspect your delivery bay:

- Maintain good lighting.
- Remove debris.
- De-ice or fill potholes.
- Check for appropriate material handling equipment.
- Maintain dock plates and doors so they function well.
