

# REQUEST FOR REVISION OF STANDARDS

TO: Washington State Apprenticeship & Training Council

From: Western Washington Stationary Engineers Apprenticeship Committee

(NAME OF PROGRAM STANDARDS)

## IV RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

### A. Stationary Engineer

1. ~~One (1) apprentice per every four (4) engineers employed in a specific facility. There shall be no more than two (2) apprentices employed at one time in any specific facility, regardless of the number of journey-level workers employed in that facility at the time. By special request to Western Washington Stationary Engineers Apprenticeship Committee an employer may request up to four (4) apprentices at a specific facility. Such a ratio shall not be exceeded unless agreed to per the Collective Bargaining Agreement.~~

2. ~~An employer facility having three (3) or less engineers employed shall be entitled to one (1) apprentice.~~

Change to:

## IV RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

### A. Stationary Engineer

1. Ratio of apprentices will be one (1) apprentice to two (2) journey-level workers in a specific facility.
